Under the authority granted by SDCL 49-7A-22, the Enforcement Committee of the South Dakota One Call Notification Board met on July 14, 2004, to determine whether there is probable cause to believe that a violation has occurred relative to Complaint OC04-006 filed by Watertown Municipal Utilities against LaFramboise Constructions.

Based on the information provided, the Committee determined that it was in the best interest of all parties if the meeting was suspended and that two questions be placed before the involved parties for response prior to making a final determination of probable cause was made. The questions that the committee would request you to respond to are the following:

1. What was the actual excavating activity that was occurring when the damage to the gas line occurred?
2. What documentation or supporting evidence does either party have that would assist the Enforcement Committee in determining the actual time that the damage occurred?

I would appreciate your response to this inquiry at the earliest possible time but no later than July 23, 2004.

Your response may be mailed to me at 1012 N. Sycamore Avenue, Sioux Falls, SD 57110, by facsimile @ 605-339-0529 or by email at exedir@sdonecall.com

Sincerely,

Larry L. Englerth
